

THE VIRGINIAN-PILOT AND THE LEDGER-STAR SUNDAY, AUGUST 22, 1993 B5

**THE U.S. DEPARTMENT OF THE NAVY INVITES
PUBLIC COMMENT ON THE ENGINEERING
EVALUATION/ COST ANALYSIS (EE/CA) FOR THE
PROPOSED SOIL AND DEBRIS REMOVAL ACTION
AT THE INSTALLATION RESTORATION (IR) SITE,
AREA B, CAMP ALLEN LANDFILL, AT NAVAL
BASE NORFOLK, NORFOLK, VIRGINIA
AND
ANNOUNCES THE AVAILABILITY OF THE
ADMINISTRATIVE RECORD FILE FOR THE IR
PROGRAM AT NAVAL BASE NORFOLK,
NORFOLK, VIRGINIA**

In accordance with the Department of the Navy IR Program, the National Oil and Hazardous Substances Pollution Contingency Plan (NCP), and the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), the Department of the Navy invites public comment on the EE/CA for the proposed soil and debris removal action at Area B of the Camp Allen Landfill. The EE/CA consists of a brief analysis of removal alternatives for the site. Criteria used to evaluate each alternative included environmental and human health considerations, technical feasibility, institutional considerations and life cycle cost. The EE/CA provides the following specific information:

- site description (including analytical data from previous studies),
- removal action objectives,
- removal action alternatives and available technologies,
- recommended removal alternatives, and
- schedule and estimated cost to implement recommended alternative.

The comment period for the EE/CA for Area B, Camp Allen Landfill will end thirty calendar days from the date of this notice. Comments on the EE/CA will be considered and will be incorporated as appropriate.

The Navy also seeks to inform the public of the availability of the Administrative Record File and to encourage the public to comment on documents as they are placed in the record. The Administrative Record File includes documents which form the basis for the selection of specific removal and remedial actions at IR Sites at Naval Base Norfolk. Documents now in the record include the index of documents, factual information and data, policy and guidance, and other agency documentation. Other documents may be added to the Administrative Record File as site work progresses. These additional documents may include formal changes to the scope of the work of the study or clean up effort; comments and new data submitted by interested persons, and Navy responses to significant comments. Comments on the Administrative Record File may be made at any time. The Administrative Record File is available for public review at the Larchmont Public Library.

The EE/CA is available for public review during normal business hours at each of the following information repositories:
